

Hello Grizzly Families,

Cal High Track & Field yard signs for NEW athletes to Track and Field are ready to be printed. We just need to know if you are interested in having one delivered to your yard. There is no cost, Aki Lewis, a realtor in the Cal High Family delivers them to your front yard for free.

As a thank you to Aki for sponsoring the signs, please consider taking a photo of your sign and tag her on your favorite social media

Aki's handles and hashtags are as follows:

Facebook: [@akikolewis](#) | Instagram: [@akilewis_re](#)
#akilewisrealtor #akilewisrealestate

If you aren't on social media, or you prefer not to post, please consider turning the yard sign around for a week during the season or after the season for appreciation.

The yard signs are very durable, so our freshmen, sophomore, and junior athletes should hang on to them to use next year. Graduating seniors are welcome to hang on to their sign as a keepsake, or return for reuse by Future Grizzlies.

If you would like one, please let Coach Karbo know by Friday, March 8th.
